

## OUTSOURCED PAYROLL SERVICE FOR ACCOUNTANCY PRACTICES

For accountants, payroll is probably your most time consuming but least profitable activity. Your payroll chore is simply more trouble than it's worth. Choose a white label option under your own brand, leave payroll processing to the experts and free up your time for more value added services.

### AT A GLANCE

Operate under your own brand everywhere  
Enjoy telephone calls and answers as you  
Have emails sent and received as you  
Use your branded document portal  
Invoice direct or indirect  
Bespoke your own set up

### KEY FEATURES

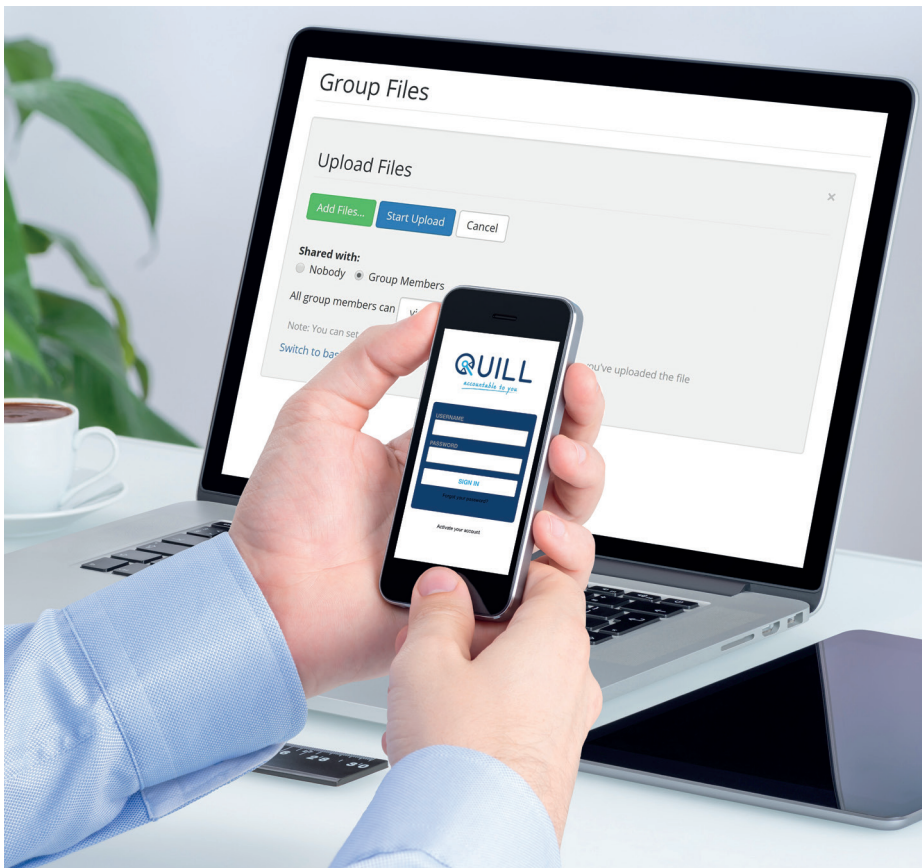

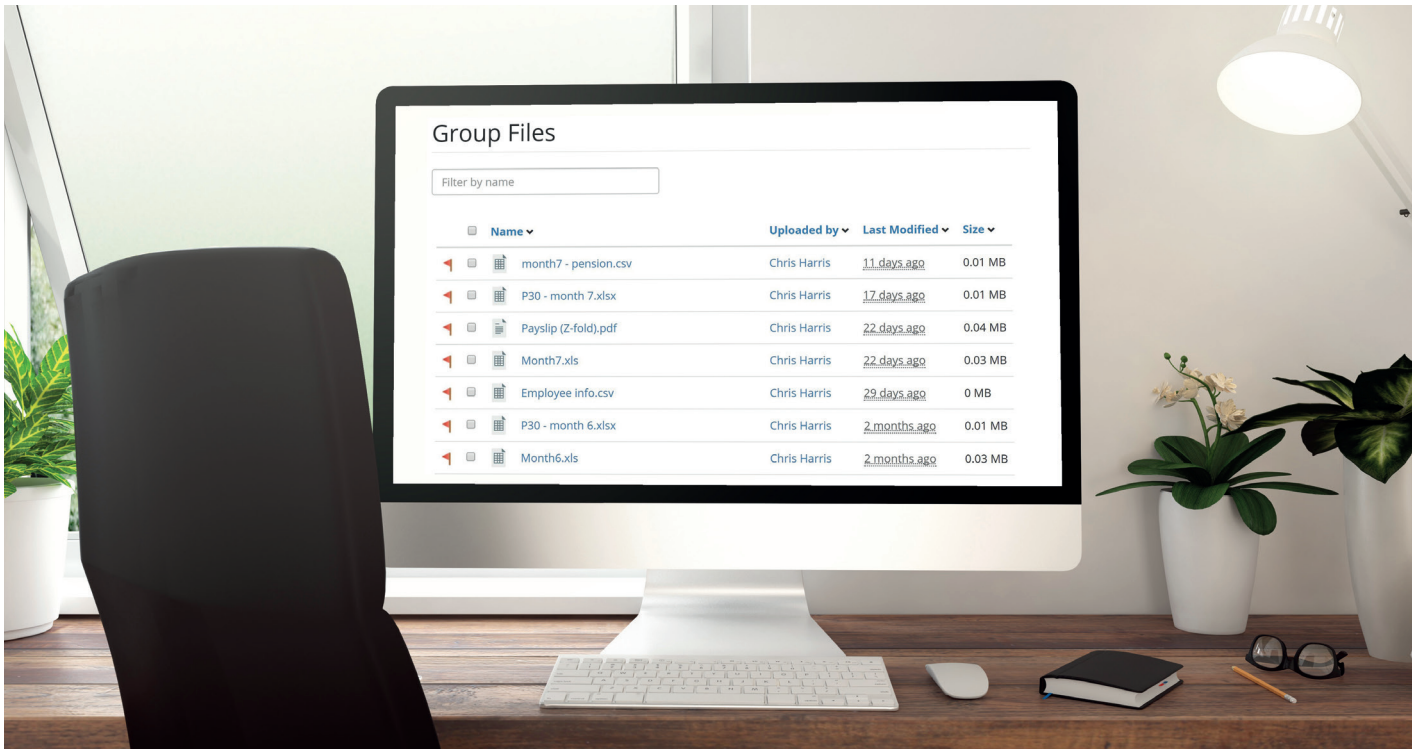

#### Comprehensive service

-  We manage everything from payslip production to salary processing
-  Allow our compliant Bacs bureau to make salary payments
-  Choose optional auto enrolment support
-  Use a secure web portal for payroll document storage
-  Smartphone app for easy and secure e-payslip delivery
-  Select complete outsourced support or overflow service
-  Keep your clients forever with our strict non-poaching agreement

#### Expertise & compliance

-  We're fully versed in legislation such as auto enrolment, shared parental leave, NI and RTI
-  We've been payroll specialists since 1978, with CIPP-accredited staff using HMRC-approved software
-  ISO 27001-standard, UK-based, DPA and GDPR-compliant data centres

## KEY BENEFITS

### Earn more

- Outsource your payroll administration and concentrate on higher-earning accountancy tasks

### Boost profit margins

- Add a percentage mark-up on our fees to charge your clients and amplify income further still

### Widen your portfolio

- Offer the full range of accountancy support, including payroll management, to increase client satisfaction levels

### Improve accuracy

- We focus on your clients' payroll, without distraction, for 100% correct, on-time payroll, every time

### Retain clients

- Your database is always yours, so you can choose to remain the primary point of contact

### Save time

- Free up your time for what matters most – looking after your clients, supplying quality services and managing your business

### Gain year-round support

- Even when your designated payroll clerk's absent from work, your assigned deputy will cover instead

### Comply with regulators

- We're up-to-date with reforms, requirements and timescales so your compliance is assured

### Avoid financial penalties

- Our expert clerks are well versed in all the latest legislation, including auto enrolment, so there'll be no heavy sanctions for getting it wrong
